This Budget Performance Report is produced by the Budget Directorate of the Budget, Planning and Development Partner Coordination Office (BP&DPCO) in collaboration with the Office of the State Accountant General and the Ministry of Finance and Economic Development. It is published on the Gombe Ministry of Finance website (www.mof.gm.gov.ng).

1.B Revenue Performance

The quarter 2, 2023 (April – June) budget performance shows a continuation positive performance in the year with actual overall Recurrent Receipts of N18,275,273,670.06 which is 45.8% out of the total annual estimated sum of N90,717,450,000.00.

This is made up of allocations from the Federation Account (FAAC) and the State Internally Generated Revenue (IGR), otherwise referred to as Independent Revenue. Recurrent receipts performance is impressive considering that the year has just began and collections especially of Internally Generated Revenue (IGR) show remarkable improvement with some budget lines already exceeding their annual budget estimate.

Government share of FAAC (Statutory Revenue) amounted to N16,025,940,919.33 during the period under review (April to June 2023) constituting 46.2% out of the annual projection of N72,500,000,000.00; while IGR collected in the same period amounted to N2,249,332,750.73 which is 44.3% of the projected N18,217,450,000.00. We are optimistic that revenue collections in 2023 will exceed that of last year.

1.C Recurrent Expenditure Performance

The Recurrent Expenditure constitute Personnel costs, Overhead costs and Public Debt Charges. During the period under review, Recurrent Expenditure amounted to N12,932,224,860.24 which is 40.5% of the projected N76,552,952,000.00. Out of the said N29,128,247,000.00 Personnel costs amounted to N6,840,508,195.29, Overhead costs amounted to N3,882,938,488.16, other recurrent expenditure amounted to N2,208,778,176.79, while Public Debt Charges amounted to N6,091,716,664.95.

1.D Capital Expenditure Performance

The 2023 budgeted Capital Expenditure amounts to the sum of N99,463,250,000.00. Out of this figure, performance during the period April – June amounts to N34,522,863,985.16. This represents 53.3% performance. Capital Expenditure performance is impressive compare to that of first quarter. This is due to the in fact that elections are over and government has settled down for serious business of delivering dividends of democracy to its citizens.

1.E Conclusions

Considering the above, it may be noted that the overall budget performance in quarter 2 of 2023 stands at 47.7%. Indicating a total expenditure of N47,455,088,845.40 out of the total budget size of N176,016,202,000.00.

The performance in Capital Expenditure has greatly improved, it is however very encouraging to note that, recurrent receipts and recurrent expenditure continued to show an encouraging performance. More is expected to be done on capital expenditure and the zeal and enthusiasm of the present administration is carrying out massive construction/completion and expansion of basic social and economic infrastructures such as the ongoing work of the three General Hospitals in Funakaye, Kaltungo and Kumo, remodelling of Primary and Secondary Schools as well as Muhammadu Buhari Industrial Park project, construction of more road networks both at urban and rural areas of the State.
