The Accountant- General is responsible for the preparation of the Financial Statement of the State Government for each financial year in compliance with the provision of the Constitution of the Federal Republic of Nigeria 1999 and the Public Finance (Control and Management) Act of 1958 as amended. The Accountant-General is also responsible for ensuring that proper books of accounts are kept and internal control procedures are maintained in order to safeguard assets and finances. It is my responsibility as the Auditor-General to form and express an independent opinion, based on my audit.

BASIS OF OPINION

I conducted my audit in compliance with the relevant laws of the Federal Republic of Nigeria and in accordance with the Public Sector Auditing Standards. These standards require that I plan and perform the audit to obtain reasonable assurance that the Financial Statement are free from material misstatements. An audit includes examination, on a test basis, of evidence supporting the amounts and disclosures in the Financial Statement which are prepared under IPSAS cash. It also includes an assessment of the Accounting Principles used in the preparation of the accounts and evaluation of the overall adequacy of the presentation of information in the Financial Statements. The Audit was carried out in accordance with Auditing Requirement as specified in the Audit Law 1959 (Chapter 14/5 (2) of the Federal Republic of Nigeria and Gombe State, State and Local Government Audit Law 2024 (as amended) sections 11. I planned and performed such audit procedure in order to obtain all the information and explanation, which I considered necessary for the purpose of my audit. Furthermore projects and programs were verified in the discharge of my duty and responsibility as required by section 125(2) of the Nigeria Constitution. I performed financial compliance audit in accordance with International Standards on Auditing (ISAs) and International Standard of Supreme Audit Institution ("ISSAIs") of all records kept at the Treasury Headquarters. Sub Treasuries, Ministries and relevant Agencies of Government in conformity with the Public Finance (Control and Management act of 1958). The audit provided me with a reasonable basis for an independent opinion.

OPINION

In my opinion the Financial Statement (No. 1-4) and the related accounts gives a true and fair view of the state of financial position of the Government of Gombe State for the year ended 31st December 2024. The financial Statement have been certified subject to the observations/comment(s) contained in the report.
